## Paramount Appoints Leonardo Garcia as Recruiting Specialist

*Paramount hires recruiting specialist with 15 years of experience in airline operations*

Alexandria, Virginia – June 16, 2011 – With its increasing client list, [Paramount Aviation Resources Group](#), a global provider of flight crew personnel, has decided to expand its Recruiting Services group. Paramount Aviation Resources Group has announced the appointment of Leonardo Garcia as Recruiting Specialist. Mr. Garcia will be working closely with Ayman Jarrah, Paramount Aviation Resources Group Vice President of Recruitment Services, to meet the crew resourcing needs of airlines worldwide.

“We are delighted to have Leo join Paramount Aviation Resources Group at a time when we are experiencing significant growth,” said Michael W. Johnson, Paramount Aviation Resources Group President and CEO. “His operational background coupled with his professional and customer-oriented, positive attitude makes him an excellent addition to the company.”

Mr. Garcia joins Paramount Aviation Resources Group from NetJets, where he was the Lead Flight Dispatcher. In addition to his supervisor responsibilities, he analyzed meteorological and flight planning information to prepare and scheduled flight releases. Prior to joining NetJets, Mr. Garcia worked at various airlines in operations, dispatch and as a pilot. He has a Master’s in Aeronautical Science from Embry-Riddle Aeronautical University and a Bachelors of Science in Aviation Technology from Everglades University.

In the past month, Paramount Aviation Resources Group has signed crew leasing contracts with Qatar Airways, a five-star airline, and a newly launched cargo airline.

### About Paramount Aviation Resources Group

Founded in 2006, Paramount Aviation Resources Group is quickly becoming the most-trusted provider of leased flight crew personnel in the world. With a commitment to aviation safety, reducing operating costs, and providing impeccable service, Paramount Aviation Resources Group is helping air operators achieve long-term viability. Paramount Aviation Resources Group was formed by airline professionals with thousands of flight hours and decades of experience as line pilots, instructors, and managers at international Part 121 air carriers.
