## Paramount Begins Recruiting for Ethiopian Airlines

Fredericksburg, Virginia – March 4, 2016 – Paramount Aviation Resources Group, a global provider of qualified pilots and crew members, has signed a contract with Ethiopian Airlines to recruit Boeing B-737NG, B-777 and B-787 captains.

“We are excited to be working with an airline that serves 92 international destinations in five continents and has a 70 year history of dependable and safe flying,” said Michael W. Johnson Paramount Aviation Resources Group President and CEO. “When we place a pilot with Ethiopian Airlines, we know they will be entering a successful, engaging workforce that has a reputation as the fastest growing airline in Africa.”

The Ethiopian Airlines captain positions come with a compensation package that includes a six-figure annual salary, a bonus program, scheduling rotations with 10 days off per month and other attractive benefits. Eligible applicants will be younger than age 60, have an EASA/JAA/FAA/ICAO ATPL with B-737(NG), B-777 or B-787 type rating and the following minimum flight time.

- Total jet time of 3,500 hours
- Jet pilot in command time of 2,500 hours
- B-737NG, B-777 or B-787 pilot in command time is 500 hours

Interested pilots should contact Paramount recruiter [Mac Baird](#) to review the contract terms and discuss the training and hiring process. Paramount is renowned for helping pilots find the best airline for their lifestyle, long-term growth and success.

### **About Ethiopian Airlines**

Ethiopian Airlines (Ethiopian) is the fastest growing Airline in Africa. In its seven decades of operations, Ethiopian has become one of the continent’s leading carriers, unrivalled in efficiency and operational success. Ethiopian commands the lion share of the pan-African passenger and cargo network operating the youngest and most modern fleet to 92 international destinations across five continents. Ethiopian fleet includes ultra-modern and environmentally friendly aircraft such as the Boeing 787, Boeing 777-300ER, Boeing 777-200LR, Boeing 777-200 Freighter, Bombardier Q-400 double cabin with an average fleet age of five years. In fact, Ethiopian is the first airline in Africa to own and operate these aircraft.
