
CHENGDU AIRLINES A-320 CAPTAINS

Chengdu Airlines (CDA) had its maiden flight on 23 January, 2010 from its base in Chengdu, China. CDA is owned by three corporations: Commercial Aircraft Corporation of China, Sichuan Airlines Group and the Chengdu Communications Investment Group. CDA currently operates a fleet of 17 A-319/320 aircraft increasing to 20 by the end of 2015. CDA has 50 A-320 aircraft on order over the next 5-10 years. Additionally, CDA has ordered 30 ARJ21 aircraft.

CDA currently serves more than 50 domestic routes, including, Beijing, Guangzhou, Shanghai and Shenzhen with planned expansion to Hong Kong, Macao and cities in East Asia, South Asia and Southeast Asia.

Chengdu is located in central China with a very pleasant year-round climate. The average annual temperature is 16° C. Chengdu is surrounded by beautiful nature including the Jiuzhai valley, Mount Emei, Mount LE and many others.
