Paramount Continues to Expand in China: Signs Multi-Year Crew Procurement Agreement With GX Airlines

Fredericksburg, Virginia – November 28, 2017 – Paramount Aviation Resources Group, a global provider of qualified pilots and crew members signed a multi-year contract to provide qualified A-320 and E-190 Captains to GX Airlines.

“We are excited to partner with GX Airlines and to expand our services in China. China leads the world in demand for qualified expat pilots. GX Airlines plans to more than double its fleet from 21 aircraft to 50 aircraft by 2020. This will require a significant number of qualified airmen to fill these vacancies,” reports Michael W. Johnson Paramount Aviation Resources Group President and CEO. “To attract crews in such a competitive market, GX offers some of the best terms and conditions in the industry including, high pay rates, annual bonuses, travel allowances, strong benefits and multiple scheduling rotation options.”

The agreement between GX Airlines and Paramount is for multiple years. Mr. Johnson explains, “GX Airlines has an aggressive growth plan including the addition of both domestic and international destinations. Paramount is pleased to be such an integral component in helping GX reach these expansion goals.”
